B Outline Project Proposals

Project Description (in 250 words or less).

B Category

Which category does your project fall into? If you think it qualifies in more than one category, circle all relevant categories.

A B D DA E

Has this project already received ENTRUST approval?

If Yes, please enclose a copy of the project approval letter.

Have you sent this project to any other Environmental Bodies or Landfill Operators? If so, please give details.

C Information to include with your application separately (*tick boxes*)

Full Project Description:

Photos (A4) or drawings (A3) can be included. Limit information to 2 A4 sheets if possible please.

Note in this description any community involvement in the project or consultation about the project

Benefit:

Describe how your project will benefit the environment and/or the community.

Need for the project:

describe how you have identified a need for this project.

Ownership:

Public Amenity and Community projects (Cat D & E): Please describe who owns the building to be improved/provided and your relationship to them (e.g. leasee, owner, other).

Statutory Consent Requirements:

All consents (planning permission, Diocesan faculties) must be in place before funding. Describe what is required and where you are in the process.

Project Partners:

All funding partners must be listed, with the amount of their contribution. If application has been made, state the amount requested and the date of response.

Project cost:

Give a detailed breakdown of your project costs. Please note that three estimates must accompany this application, unless there is a special reason. Please explain (eg specialist work with limited contractors).

D Project cost

Project costs:

Amount sought
from SGEB

Please state amount and
source(s) of funds already
secured

Do you have a source to
provide the TP contribution?

Please give the name and
address of your contributor.

The contribution will need
to cover the total project cost
being sought from the Landfill

Community Fund, which
may include ENTRUST and
SWEET administration fees.

Project Programme:

Who will manage the project?

Please specify project start and completion dates (*SGEB require project to start within 2 years of grant offer*)

What are your project targets?

What are the project's outcomes?

How will the project be maintained once it is completed?

E Added Value Indicators

Directly linked to the delivery of this work:

How many full time jobs will be created or maintained that are directly linked to the delivery of the project?

How many part time jobs will be created or maintained that are directly linked to the delivery of the project?

How many volunteers are expected to help in the delivery of the project?

How many of these volunteers are between the ages of 16-25 years?

How many youth volunteering days does the project create?

How many people do you expect to visit/use the facility per annum?

Does the project make improvements or provide improved facilities for people with disabilities?

Does the project make improvements or provide improved facilities for people with disabilities?

Publicity:

How do you intend to promote your project?

If so, when and how will it be used?

Please also identify any of the following (*where relevant*):

Where applicable, the number of possible different uses the site can be put to once the provision, maintenance or improvement has taken place.

Expected number of Hectares worked upon through the delivery of the project.

Estimate the number of metres of footpath, bridle ways, and/or cycle paths provided or worked upon

The number of trees planted?

Will any recycled materials or secondary aggregates be used in the project?

Has energy efficiency been considered if so how?

How did you hear about SGEB?

F Declaration:

I declare that the above information provided by me is accurate at the time of writing. I agree to inform SGEB of any variation to the project from the above description.
